0:00-0:012 (Beth Baertschi) I grew up with my mother in and out of foster homes. The earliest that I remember is when I was 5 years old. I lived in Clermont City in Tampa. We got put in a foster home, my sisters and I and we lived in foster homes in and out it I was about 15 years old.

0:013 - 0:20 (Anchor -Cyrena Berry) WHEN BETH WENT HOME TO HER MOTHER AT 15 YEARS OLD, SHE WAS TRANSFERRED TO A SCHOOL THAT FRIGHTENED HER. THROUGH THE DIFFICULTY OF ADJUSTING SHE DID KNOW SHE WANTED A FAMILY SHE COULD LEAN ON, LOVE AND KEEP STABLE.

0:21 - 0:40 (Miranda Mygrant) Me and my mom have a really close relationship we always have. And I know when I am going through something she will have my back. She is there to tell me right from wrong whether it's from friends, boys, school, and other people. She made it a point to have something different than what she had. She wants to be a parent that is always around.

0:41 – 0:57	BETH KNEW HOW MUCH SHE LOVED
(Anchor – Cyrena Berry)	CHILDREN, SO SHE GOT INTO CASE
	MANAGEMENT AT WELLCARE. SHE
	SUGGESTED A PLAN OF HAVING MORE
	FOCUSED CASE MANAGEMENT GROUPS
	WHERE YOU CAN WORK WITH THOSE YOU
	SPECIALIZE IN.
0:57-1:09	I WAS OFFERED TO BE ABLE to create the
(Beth Baertschi)	first pediatric case management program
	and team. I fulfilled my passion
1:09-0:15	
(Beth Baertschi)	I just believe that everything happens for
,	a reason and it's all perspective so you
	can focus on the positive or the negative.
1:16 – 1:27	
(Anchor on Camera – Cyrena Berry)	BETH'S STORY PROVES THAT
(Allohor on Gamera Gyrena Berry)	CHILDREN AROUND THE WORLD
	CAN HAVE SUCCESS STORIES FOR
	THEIR JOBS AND THEIR FAMILIES. IM
	CYRENA BERRY REPORTING FOR
	BROADCAST NEW.
